Invitation to a Public Input Meeting

Oshtemo Charter Township's Drake Road Sidewalk Study

Oshtemo Charter Township is beginning to study the feasibility of installing sidewalks along the west side of Drake Road in three segments:

- Segment 1 – Stadium Drive to West Michigan Avenue
- Segment 2 – West Michigan Avenue to West Main Street
- Segment 3 – West Main Street to Croyden Avenue

As a part of the study process, the Township is offering opportunities for area residents and businesses to provide input. The first opportunity will be:

Drake Road Sidewalk Study Public Input Meeting
Wednesday, March 28, 2012 at 7 p.m.
Skyridge Church
394 South Drake Road
Kalamazoo, Michigan 49009

At this initial meeting, we will:

- Show photographs to illustrate the opportunities and challenges presented by the existing conditions.
- Encourage group discussions to collect concerns, goals and ideas to be analyzed during the study.
- Seek input on issues of desired use, accessibility, enhancement features, safety, etc.

Your input is very important! If you are unable to attend, please send comments or questions to oshtemo@oshtemo.org or to Oshtemo Charter Township, 7275 West Main Street, Kalamazoo, MI 49009 Attn: Drake Road Sidewalk Study.

Thank You !

Oshtemo Township Drake Road Public Input Meeting
March 28, 2012

Comments

- Gordon Food Stores – cut down trees – visibility, even from cars
- W. Main → Croyton – no sidewalk on east side either
- * GFS – natural stone wall – historic house from 1860’s – is wall original/sacred? An assoc. preserving house - -Look into –
- Winter dangerous – ice/slippery – cars up on curb
- Fence - jumping @ country club apts. /single family houses → to get to apts from skyridge – address?
- Will burden be taken off land owner if easements used? Liability... easement doc should address
- * Boarding pads connecting sidewalks to bus stops. Room for pads? Identify stops.
- Bench in front of church – gets used
- Narrow path (measured by papers) not accessible – legally @ least 36” needed
- Bikes not permitted on sidewalk → road busy, so use sidewalk
- How wide to be bike – friendly? 8’
- * West Campus – principal of young adults – 125 students w/ disability. 18-26 yrs. Walk to Target, W. Main for bus. Planning sidewalk from K-Resa to Drake. Blind students. Follow-up to incorporate plans into report.
- Students from West campus, HS, etc walk daily.
- Like segments – implement via segments: kl → stadium no walkers. North side of corridor near W. Main busiest, near businesses.
- Driving down hill to stadium, over growth is bad → this segment not as important, but still necessary. Visual concern. Clear brush for visibility.
- Res. areas near Century – on principal land owner → plan for sidewalks before something develops.

Oshtemo Township Drake Road Public Input Meeting
March 28, 2012

Questions

- Path existed for years; walking to W. Main – not all students
- Arboretum Dr. – location of crossing too far/in direct
- 20 middle school kids cross street – unsafe
- Fence up to road – bad design – bus neighbor – in row: allowed? No. This happens several times along corridor.
- Existing walks on east side, so why on west?
- Not much room left after road widening project.
- Ped. Safety concern (mom w/ babies in winter)
- Sidewalk cleaned during winter?
- Bus stops = need for sidewalks
- Plowing/maintenance questions/concerns
- Make sidewalk farther into pvt property via easement to avoid snow buildup from road plows?
- Timeline?
- Maintenance of retaining walls?
- Same retaining wall material along corridor?
- Can a few land owners derail entire project?
- Purpose of 3 segments? Phasing/priority?
- Go farther north to H.S.?
- Who is paying?
- Who are walkers?

Drake Road Sidewalk Study - 2012

Public Input Meeting – 3/28/12

Your input to the Drake Road Sidewalk Study being conducted this year is important! We would appreciate any input you care to offer at this preliminary stage of the study.

GENERAL COMMENTS
Please use this space to list any concerns or questions you would like addressed during the course of the study.

A SIDEWALK WOULD PROVIDE A SAFE MEANS TO TRAVEL ALONG DRAKE RD.

PEOPLE WALKING ON THE EDGE, ON PRIVATE PROPERTY, IF INJURED WOULD INVOLVE THE LIABILITY INSURANCE OF PROPERTY OWNERS, HAVING A PAVED PATH OWNED BY THE TOWNSHIP, I WOULD THINK WOULD IMMEDIATELY THE AFFECTED PROPERTY OWNERS.

THE SEGMENT BETWEEN KL & W-MAIN HAS THE MOST FOOT TRAFFIC, MANY APT RESIDENTS WHO TRAVEL TO AND FROM THE SHOPPING AREAS, esp. FOR FOOD, etc.

Thank you for your input!

GENERAL COMMENTS
<i>Please use this space to list any concerns or questions you would like addressed during the course of the study.</i>
<p>I drive north + south on Drake between W. Michigan and H Ave. 5-10 days^{times} per week day. I see children walking to Linden Grove + K. Central in the dark in bad weather. It is extremely dangerous for the children to walk in the street when there is a lot of snow, or if there is no snow but dark ^{dark outside}.</p> <p>Also, folks seem to be walking up + down the West side of Drake to + from their homes to work + grocery stores + other businesses. Sidewalks would be a much better way for folks to get to where they need to go safely with strollers + grocery bags + book bags and sometimes with several children in tow.</p> <p>Finally, bikes are being used more + more for commuting, which is great for the environment. Sidewalks + bike paths will be more conducive for bike users + their safety needs.</p>
Thank you for your input!

GENERAL COMMENTS
Please use this space to list any concerns or questions you would like addressed during the course of the study.

I am the administrator @ KRESA for the Hearing Impaired & Visually Impaired Programs & Services. My office & some of my staff are located @ KRESA West Campus on Croyden Ave. Our building houses 4 programs that provides services to students w/ disabilities as well as serves hundreds of families in the Kalamazoo Area. Sidewalks would improve access to our building and also provide better access to the community & public transportation for students of the Young Adult Program. The goal of this program is to help students w/ disabilities gain independence and become participants in their community. Sidewalks fit perfectly w/ this mission!

THANK YOU.

Mindy Miller
H/VI Administrator
KRESA

Thank you for your input! mmiller@kresa.org
(269) 250-9701

I would be very interested in having the group study an additional segment near Drake Ave north to Cal. Central HS.

<input checked="" type="checkbox"/> Strongly Support	Would make it feasible for us to walk to Post Office + Stores.
<input type="checkbox"/> Support	Not safe to walk on uneven right-of-way (Residential yards
<input type="checkbox"/> Don't Care	+ private + business driveways). Also NOT safe/practical
<input type="checkbox"/> Oppose	to cross Drake Rd. 4 times to use sidewalk up
<input type="checkbox"/> Strongly Oppose	East side -

GENERAL COMMENTS
Please use this space to list any concerns or questions you would like addressed during the course of the study.

Would likely mostly use the section from Driptwood to W. Main -
 But the section from Driptwood to XL would be very important
 to people living south of Driptwood. The section from
 KH to Stadium would seem to be the least important
 because it looks like there would probably be less pedestrian
 use in that area on the West side of Drake Rd.

Thank you for your input!

GENERAL COMMENTS
Please use this space to list any concerns or questions you would like addressed during the course of the study.

I am the Principal of the Young Adult Program at KRESA West Campus, I represent 125 students and 30 staff. Our students are 18-26 years old with cognitive disabilities and physical disabilities. Our students work on Transition skills to independence. We ride public busses and walk to neighbor hood ~~base~~ businesses daily. Safety and accessibility are very big issues. In bad weather our students are forced to walk on the road rather than walk in snow, mud or water.

KRESA is planning on building a sidewalk from West Campus to Drake and hope to connect to a sidewalk, bus stop.

Thanks for your work on this - Deb Wild
Young Adult Program Principal

Thank you for your input! 250-9602
dwild@kresa.org

(Please state reason(s) for answer.)**

Strongly Support

Support

Don't Care

Oppose

Strongly Oppose

The sidewalk on east side of Drake should handle all traffic from R L Ave north to west corner

GENERAL COMMENTS

Please use this space to list any concerns or questions you would like addressed during the course of the study.

Why is this study being made when walk way North and South is already available?

Would sidewalk be the same width as on east side

How will this be payed for

What about noise control. There are trees + Berm in our section of Drake

Who would take care of snow removable in winter

How do you justify a project like this?

Thank you for your input!

Drake Road Sidewalk Study - 2012 Public Input Meeting - 3/28/12

Your input to the Drake Road Sidewalk Study being conducted this year is important! We would appreciate any input you care to offer at this preliminary stage of the study.

Taught Visually impaired + blind for 30 years - so have their interest at heart

I represent property that is a		
<input checked="" type="checkbox"/> Residence o I rent <input checked="" type="checkbox"/> I own	<input type="checkbox"/> Business o Retail o Commercial o Private o Other	<input type="checkbox"/> Institution o School o Church o Governmental o Other
My general location is		
<input type="checkbox"/> On Drake	<input checked="" type="checkbox"/> Connects to Drake	<input type="checkbox"/> Other _____
I would use this sidewalk in the following ways (check all that apply)		
<input checked="" type="checkbox"/> Walking	<input checked="" type="checkbox"/> Biking	<input checked="" type="checkbox"/> Shopping
<input checked="" type="checkbox"/> Exercise	<input type="checkbox"/> Get to Work	<input type="checkbox"/> Get to School
<input type="checkbox"/> Year Round	<input checked="" type="checkbox"/> Non-Winter Only	<input type="checkbox"/> Other _____
How often would you use the sidewalk?

| <input type="checkbox"/> Strongly Support | |
| <input type="checkbox"/> Support | |
| <input type="checkbox"/> Don't Care | |
| <input type="checkbox"/> Oppose | |
| <input checked="" type="checkbox"/> Strongly Oppose | |

We already have sidewalks across the streets why spend money for something we already have. Why not use our money more wisely?

GENERAL COMMENTS

Please use this space to list any concerns or questions you would like addressed during the course of the study.

Why is the sidewalk being considered at all? What is the need for it that is not currently being addressed by the sidewalk on the ~~other~~ ^{other} side of Drake Rd?

Putting a sidewalk on Drake Rd at Green Meadow would cause the trees on our properties to be destroyed because the berm, put in to also help contain noise, would have to be removed or at least partially removed.

Thank you for your input!
