

MINUTES OF FRIENDS OF THE PARKS

NOVEMBER 13, 2012

Members present: Carol Ladd, Jeff Parsons, Grace Borgfjord and Carol VanAntwerp
Guest: Sharon Fedesna, SLF Design

The meeting was called to order at 4:15.

The minutes of October 30, 2012 were approved as written.

FOP Website: Sharon Fedesna sought input from FOP members regarding establishing a website. She stated that \$800 would be the start up fee. Currently, paypal has been set up by Jeff in order to facilitate donations, and GoDaddy to establish our domains. Sharon likes Bluehost better and can set up an account for \$7/month. Sharon discussed her role in establishing and maintaining the site. She can set up an email service, eg, Info@OshtemoFriends in order for the community to contact FOP members. Jeff stated he would be willing to download messages from the server and communicate input to other FOP members. Jeff volunteered to contact Rob Bertrand in order to access pictures he took of the park dedication activities. The pictures are in a Shutterfly album, but a password is needed to view them.

FOP Stencils: Grace shared the final product which will be placed on trashcans in the parks.

2013 Slate of Officers: All current officers are willing to continue on the FOP board in their present positions. Those FOP members not present are welcome to add their names to the slate for 2013.

Next meeting is January 15, 2013 at 5pm.

Respectfully submitted,

Carol VanAntwerp
Secretary
