PROCEEDS SUPPORT

Constance Brown Hearing Centers, a local nonprofit organization that has been serving the community's hearing healthcare needs since 1942,

Donations and grants increase access for people struggling financially. In 2016, 736 patients received services as a result.

Event proceeds will improve Constance Brown's ability to help people address hearing concerns, receive diagnostic hearing testing, and seek treatment for hearing loss, regardless of an ability to pay the full cost of services.

You can help others by just having fun with us on October 1

REGISTRATION \$20

Includes a station passport and t-shirt (while supplies last). Route will have challenge stations fun for the whole family. Mark each complete and drop passport into a prize box for a chance to win. Increase your chances and buy more tickets (\$1 per ticket or \$5 for 6 tickets).

REGISTER ONLINE BY SEPTEMBER 15 TO RESERVE YOUR SHIRT SIZE.
