

Fire Department Acquired Structure Registration Form for Training/Burn Demolition

Live burns are an invaluable experience in the educating and continued education of our firefighters. We thank you for considering this demolition option. Please note that there are several steps and considerations that go into selecting live burn locations – *there is a chance that your property will not meet the requirements*. Once this application (and the required supplemental documents) is received, the Oshtemo Fire Department will be in contact to determine feasibility.

Owner Name(s): _____

Address of Proposed Burn Site: _____

Mailing Address (if different): _____

Phone Number: _____ Email Address: _____

Describe the structure(s) being considered for training/burn demolition: _____

Will this training/burn demolition be tied to a building permit? For example, are you burning a home on a property with the intent to build a new home on the same property in the near future or concurrently?

Yes

No

Supplemental Documents/Information Required for Initial Consideration

Copy of Deed – Proof of Ownership

A site plan/sketch identifying the structure in question

The Oshtemo Fire Department will review the information above and contact you to schedule a site visit to tour the structure(s) in question. **If the structure is feasible for training/burn demolition, the following documents/ information will be required prior to the burn (additional documentation may be required):**

1. Asbestos Inspection report by accredited inspector (<https://asbestosprogram.apps.lara.state.mi.us/>)
2. Licensed Asbestos removal, if applicable (Notes: _____)
3. Southwest Michigan demolition permit application (<https://swmiba.org/form/demolition-packet/>)
4. Shut off notice from Energy Company/utilities
5. Indemnity to Hold Harmless Agreement*
6. Timeline for training and final burn demolition*
7. Acknowledgment of Zoning Restriction, if applicable* (Notes: _____)
8. Township Acknowledgement of Non-Historical Structure*

* Item provided by the Fire Department

By signing below, I certify that I have read the entirety of this application and understand my responsibilities. **I also acknowledge that the Fire Department will not facilitate removal of solid waste from property nor will it be burned in the structure, and that if the burn demolition proceeds, I am responsible for the removal of any solid waste and/or household hazardous waste from the property.**
