# Property Info

Oshtemo's Grange Hall is a charming historic building with ties to our area's agricultural heritage. With hard wood floors and a raised stage area on the upper level, the hall is a popular destination for dances and jam sessions. It is also a wonderful venue for family reunions, holidays, and wedding receptions. A full kitchen, tables and chairs are located in the lower level. Renovated in 2017, the Grange Hall is fully accessible, with an elevator to each level and barrier-free restrooms on both floors.
