

Oshtemo Community Center

6407 ParkView

Property Info

Originally a fire station, this historic building is now a popular venue for baby showers, birthday parties, wedding receptions, and other special events. Its central location makes it a convenient place for club meetings and seminars as well. It is beautifully landscaped outside, charming inside, and affordable for any budget.

There are two separate rental spaces available in the building. The north room, located at the front of the building, has a capacity of 40 people. The south room has a capacity of 60 people. A shared foyer and restrooms are located between the two rooms.
