\* The Planning Department will confirm if the application is scheduled for review by the Planning Commission or Zoning Board of Appeals.

\*\* The Planning Director and Public Works Director will determine if the submission is complete enough to proceed to the Internal Review Meeting; review of incomplete plans will be delayed. Projects seeking only Concept Plan Review will be accepted with less than full detail.

\*\*\* If internal comments/corrections are extensive another internal review will be required. In these cases, resubmittals will follow published submittal deadlines and corresponding review cycle.
