## **Detective Bureau Trends**

Detectives report in February there continue to be several groups of individuals going through mailboxes in the county and removing outgoing mail or incoming mail with checks addressed to the residents. Detectives have identified several persons of interest and are currently working with Federal authorities on obtaining arrest warrants for these individuals. If you see any suspicious vehicles removing mail from your mailbox call 911 immediately to report the activity. Detectives recommend dropping off any mail with checks or money orders directly at the post office. If you are expecting a replacement debit or credit card be sure to follow up with your financial institution if you feel the delivery is late or delayed.

Detectives also report a rash of electronic thefts of individual's credit card information and debit card information. This information was obtained from scanners being placed on ATM machines which also had a small camera attached to the device to record individuals pin numbers. Detectives recommend always covering the numbers with one hand while putting in your pin number on ATM or Credit card scanners to obstruct others from seeing your pin numbers.
