

### **HOW WILL CONSOLIDATED DISPATCH BE FUNDED FOR THE LONG-TERM?**

It is important for residents to know it is not a question whether Township, and City residents will pay for county-wide dispatch services. At this point, it is a question of **how**.

*Consolidated dispatch will be funded by one (or combination) of these three means--*

- Township Taxes/Assessment
- County Taxes
- Phone Surcharge

***Which one, or combination, do you prefer? Your voice is needed!***

Please go to the top section of the County budget survey: "**Survey for Consolidated Dispatch Funding.**"

It is found here-- <https://kalcounty.abalancingact.com/KCG-2020-operating-budget>

*(Note: you are encouraged to take the entire survey to let County representatives know your priorities).*
